Accommodation is dormitory style in bunk beds. If you require a bottom bunk bed due to health problems, please indicate this on your registration form. Don't forget to bring your own towel. A flashlight might be a handy thing in a dark sleeping room. There is also a wheelchair accessible room, toilet and shower.

Meals, the kitchen provides steamed meals (with nothing added) especially for participants who can't eat the regular and vegetarian meals provided. If none of the food options are suitable or sufficient for you, you have to arrange your own food. There is a microwave which can be used. The kitchen is during the workshop out of bounds to participants unless specifically invited in.

Since there is always a lot of work to do, we are very happy with your help before and after the workshop.
