Dear members of the Taoist Tai Chi community,

Please accept my sincere congratulations on behalf of Red Deer City Council and the citizens we represent on the milestone of the 50th anniversary of the Taoist Tai Chi in Canada.

Canadians value diversity and recognize the impact of Taoism in its endeavours to promote good health, the richness of Chinese culture, social connection and a greater understanding and respect among all peoples.

We are honoured to be able to help you celebrate your special day and hope that your 50th anniversary year is filled with much joy.

Thank you for the gift of your presence and many contributions in the community we are fortunate enough to call home.

Enjoy your anniversary celebrations.

Sincerely,

Tara Veer
Mayor
